Subject: RE: FOR REVIEW: OECA Draft FTs for CWA settlement, 8/18

Ok, sorry about that and sounds good. I thought we were good to go this week. I will not send anything else until I am given the OK.

I will let OECA/EJ know that we are not posting anything but Gold Mine related content as of now but we may revisit later in the week.

FYI- I also have the OCHP blog. I will send it forward also when given the OK.

Thanks

We aren't posting anything not related to Gold King Mine, so these won't go out. We'll revisit later in the week.
